I refer to your email and letter of 2 November 2016 both addressed to our CEO, Ms Davis.

On 27 October 2016 the CCMC informed you that it would not investigate Mr and Ms Priestley's Code breach allegations as it had previously considered these matters and it had not been provided with new information.

The CCMC will not take any further action in relation to these allegations unless it receives new, relevant and probative information to consider within the limits of its jurisdiction.

If we receive any further correspondence on these matters it will be filed but may not be responded to.

Yours sincerely,
