Dear Ms Davis,

**RE: Cicekdag Documents**

We understand you would have received prior correspondence on behalf of the Cicekdags, requestion investigation reports, determinations and all documents in relation to their personal information.

While we also understand no response or documents have been provided by you, we acknowledge that all correspondence, and your case references are documents which have provided the basis for you not to investigate.

Therefore, we attach a copy of the policy and request copies of all documents, such as those outlined above, that the Cicekdags are entitled to under the CCMC's 'Privacy .....'. It states 'If you wish to view information that we hold about you, you should write to us setting out what you wish to see... [and] include the file number if you have it'.

In reference to this, we would like copies of all investigation reports and correspondence in relation thereto about the Cicekdags. Including but not limited to reference: CX 3612; Case no. 375195.

Yours sincerely,
