Dear Ms Davis,

RE: JMA Parties Documents

Thank you for your correspondence on 2 May 2018.

Our correspondence refers to JMA members individually set out 6 April 2018 in paragraph three, including Robert Funke, Secretary of JMA Parties and 25 others. We note "the CCMC has not made any Determinations in respect of his matters and there are therefore no documents that can be provided in response to your request".

While we understand no Determination was made to investigate our complaints, we acknowledge that all correspondence, and your case references are documents which provided the basis for you not to investigate.

Therefore, we attach a copy of the policy and request copies of all documents, such as those outlined above, that all the JMA Parties are entitled to under the CCMC's 'Privacy'. It states 'If you wish to view information that we hold about you, you should write to us setting out what you wish to see... [and] include the file number if you have it'.

In reference to this, we would like access to all information about the JMA Parties. Including but not limited to reference: CX 3778; Case No 225.

Yours sincerely,
