Dear Ms Davis,

RE: Priestley Documents

Thank you for your correspondence on 2 May 2018.

We note you "have reviewed all files related to Mr and Mrs Priestley and I confirm the CCMC has not made any Determinations in respect of these matters and there are therefore no documents that can be provided in response to your request".

While we understand no Determination was made to investigate our complaints, we acknowledge that all correspondence, and your case references are documents which provided the basis for you not to investigate.

Therefore, we attach a copy of the policy and request copies of all documents, such as those outlined above, that the Priestleys are entitled to under the CCMC's 'Privacy'. It states 'If you wish to view information that we hold about you, you should write to us setting out what you wish to see... [and] include the file number if you have it'.

In reference to this, we would like access to all information about the Priestleys. Including but not limited to reference: CX 3680 and CX 1589.

Yours sincerely,
